LASER SCRIMMAGE

Mobile Laser Forces programs are portable and can travel anywhere - the lake, ballrooms, homes, business or wilderness areas. The mobility and flexibility means we can operate at just about any event. We have quick and easy set-ups that can favor any schedule. The programs may last from 1 to 2 hours or all weekend. Clients may choose a simple fun event, or challenge the group with a live action role-play. We use inflatable walls, doors, windows and low walls to create a stunning 3-D playing field. With teams of 3 or 10 players we can cater to small or larger groups.

Think about it. What better ways for people to feel like they're part of a group than to team them up in a fast paced, friendly game? Invite your staff and show them you're a boss who likes to have fun. If you're a coach whose mission is to build camaraderie, this is the perfect game plan.

Whatever the event, whatever the age, Mobile Laser Forces is the company to call. Just talk to us, and we'll do everything we can to create an unforgettable event. To make booking easy, we offer a variety of group packages to fit your budget and needs.
